

EBL Info point Flatline 1

Ex Tax: 599.00€

OPAC Working-Stand FLAT-LINE. The clear line of the solid bottom plate with integrated kick-strip as well as the functional and ergonomic division of keyboard and monitor level determine the objective, modern design of this timeless series. In order to adapt this piece of furniture to the respective system requirements, different variants are available with cable covers in stainless steel, computer console, lockable computer case or special shelves for mini PCs (e.g. Thin Client). The monitor is free-standing, alternatively with a console for attachment to the stand. Top part for stand and computer case from veneered wood/plastic coated. Frame, computer console, case door, shelf board from lacquered metal.
