

ST Glass partition for office

Ex Tax: 0.00€

Office partition walls - Glass. Office furniture and glass walls, to combine the visibility of individual workstations with the seriousness of a work environment that has nothing to hide. Clear glass to express elegance and simplicity, office furniture that combines beauty and reliability in a single environment. It allows the viewer to really see beyond: a partition wall that is much more than what it seems, an invisible line separating work spaces without weighing them down. Nitid visibility. Partition wall with all the glass' height, with profiles in transparent polycarbonate, designed to satisfy even the most articulated and particular type of requirement. Thousand of projects all over the world, remarkable solutions to guarantee all partners the best response, the creation of stylized glass with no limits of imagination.
