

Cubicles VE Series V2 Core Equinox

Ex Tax: 0.00€

V2 washroom cubicles are innovative, durable and stylish. Toilet cubicles range from streamlined Equinox to minimalistic Space, to sturdy Centurion. Our Equinox washroom cubicles offer a contemporary washroom system with a difference. The sculptured headrail design and curved pilasters, give our Equinox cubicle a contemporary streamlined feel to any washroom. Loaded with unique design features, the elliptically formed hardware and sleek curved pilaster make it a true style icon. Along with set-back pedestals that give the cubicle its' floating appearance, this is a washroom system with a difference. Equinox toilet cubicles are available in 3 material options allowing you to specify the most appropriate option for the site requirements and your budget. Available in MFC, HPL and SGL, it can be specified for both wet and dry washroom environments. Our Equinox washroom cubicle range is enhanced by curved aluminium pilasters, elliptically formed hardware and fittings, in a choice of finishes. With a colour palette of 36 colours, the unique floating appearance and streamlined contours of our Equinox toilet cubicles make them as aesthetic as they are durable.
