

Cubicles VE Series V2 Core Centurion

Ex Tax: 0.00€

V2 washroom cubicles are innovative, durable and stylish. Toilet cubicles range from streamlined Equinox to minimalistic Space, to sturdy Centurion. Centurion washroom cubicles stand for strength and rigidity. However, because we believe tough solutions still deserve style, they look great too. With several options available, our Centurion toilet cubicles offer you both flexibility and maximum privacy should you require it. With fluted floor fixed aluminium pilasters and a robust frame design, our Centurion washroom cubicles are renowned for their strength. Enhanced by hard-wearing powder coated aluminium fittings, our Centurion toilet cubicles are available in three material options to suit every type of wet and dry environment. Our MFC Centurion washroom cubicles offer an affordable solution for dry rooms with a lower risk of damage. Our HPL cubicles are a popular choice for higher traffic washroom areas. Our SGL cubicle is extremely resistant to impact and also impervious to water.
