Ribbon chair & ottoman. Tubular steel, upholstery, lacquered wood. "A chair should be more than simply functional. It should be friendly, fun and colorful." -Pierre Paulin. The Ribbon Chair is among one of the most comfortable chairs ever. The bold contoured form allows the user to assume a variety of positions while retaining the necessary support. A professional, innovative vision on the well-known ribbon form. A beautiful example of applied art, the ribbon is one of the most beautiful chairs as well. Design Pierre Paulin, 1966.
