

PA Series Budget VP4 Partition

Ex Tax: 195.00€

The VP4 is a two-position mobile partition measuring 1.22m long and 1.83m high, or can be rotated to 1.83m (6ft) long and 1.22m (4ft) high. It is constructed of heavy 16-gauge 1.25" round steel tubing for strength, connected by rounded plastic corner joints for safety. The attractive and durable Flame Resistant 12 oz cotton fabric panels are tensioned between the tubular steel frame. The VP4 is the perfect classroom divider, office divider and general space divider. Divide office spaces quickly and easily, or line up several in a row to create different arrangements for large rooms, such as cafeterias or warehouses.
