

MH Series Eco Screen 2000H x 1000W Free Standing

Ex Tax: 234.24€

A Multifunctional Display Board and Screen System available in 3 heights 2000mm, 1750mm and 1500mm. All display boards are 1000mm wide. Display boards can be linked together with a rubber hinge or used as a individual freestanding display board and can be extended over time. Feet are available in order to provide extra stability. To provide additional protection to your displays optional kick strips are available. Covered in MH Expoloop Fabric, the display panels are double sided, making them ideal for partitioning, wall backdrops and information display boards.
