

Little Petal / Tulip Chair

Ex Tax: 1,315.00€

Little tulip chair. Upholstered shell, chrome base. "A chair should be more than simply functional. It should be friendly, fun and colorful." -Pierre Paulin. As if Pierre Paulin had premonitions of Flower Power, the simple Tulip spreads its half-open petals around the sitter, inviting and warming at the same time. There is a stately Tulip with a high back, which is an eminently comfortable lounge. There is also the Little Tulip. Elegant with its low back, it is perfect for conferences, as a side, dining or desk chair or just a comfortable spot for an after-dinner chat. Design Pierre Paulin, 1965.
