

## **GRE Series Book Repair Centre**

Ex Tax: 113.28€

Book Repair Centre. Repair or reinforce a book cover quickly and easily. This unit is ideal for spine repair, reinforcing inside hinges, periodical pages and spines, even laminating paperback books. Holds single or multiple rolls up to 100mm wide on either 25mm or 75mm cores simultaneously. A spring-loaded platform provides a work surface and means of holding books in place while dispensing and applying tape. A convenient two-sided sliding cutter leaves a smooth non-serrated tape edge. Outriggers on both sides of the applicator can support oversized books. Price each. Unit only supplied - please order tape separately.
