Ex Tax: 12.38€

Book Repair Cloth Tape. Ideal for repairing multiple areas of a book. Extend the life of your books by using this white tape to strengthen the weakest points of a book - the hinge, between the covers and the end papers. A close-woven, unbleached, uncoated cotton cloth with a white, acid-free, aggressive, pressure-sensitive, adhesive. Biodegradable tape can be written on, and will conform to awkward shapes. Price per 50m roll.
