

ST Glass-blind partition for office (glass-wood)

Ex Tax: 0.00€

Office partition walls - Glass-wood. Office furniture, in glass and wood, to combine elegance and practicality. If you are looking for transparency, together with some privacy, in your office the best are the Glass-Blind Walls. Decorate your office by combining the beauty and elegance of wood with the perfect harmony of glass parts: feel free to see beyond, without invading the workstation privacy. Choose the best, pretend the utmost. Visibility and privacy. The perfect mix of wood and glass, designed to answer request of visibility or privacy. This product owns extreme flexibility and allows to change the structure depending on demand: the two panels in fact, with simple operations, can be dismantled and repositioned, more glass and less wood or on the contrary, transparent glass instead of frosted glass, insertion of Venetian blinds, the possibility of changing finishings and the choice of colours.
