V3 washroom cubicles are our premium range for style-led environments. Infinite, Dimension, Aqueous and Oxygen toilet cubicles offer sophisticated elegance, cutting-edge design and superb craftsmanship throughout. Our Infinite flush washroom cubicles and toilet cubicles are the ultimate in classic modernity. With flush fronts, minimalist fittings and sleek, smooth contours, Infinite flush toilet cubicles and washroom cubicles are the contemporary, high quality solution for the most stylish environments. Infinite cubicles are a contemporary, high quality washroom solution that are available in two high grade finishes, with unlimited colour options in both veneer and ColourCoat. Our veneer Infinite flush washroom cubicles feature real wood veneers in a range of rich, earthy tones, with matched hardwood edges. Our ColourCoat cubicles are available in any RAL colour meaning your possibilities are endless. Our Infinite flush washroom cubicles have an array of innovative features, including floating pilasters; adjustable stainless steel pedestals and a unique 3-part aluminium headrail system that allows just 20mm ceiling clearance. A full-height option is also available.
