

Cubicles VE Series V3 Premium Dimension

Ex Tax: 0.00€

V3 washroom cubicles are our premium range for style-led environments. Infinite, Dimension, Aqueous and Oxygen toilet cubicles offer sophisticated elegance, cutting-edge design and superb craftsmanship throughout. Our Dimension washroom cubicles are an industry first, our breakthrough cubicle range designed without pilasters so you can maximise your washroom space. Available in three finishes, and featuring precision engineered fittings, our Dimension toilet cubicles are perfect for busy contemporary washrooms. The doors and partitions of our Dimension washroom cubicles are available in real wood veneer, glass or ColourCoat options. Our veneer cubicles offer an unlimited choice of real wood veneers, with edges finished with hardwood lipping. Our ColourCoat Dimension toilet cubicles are finished in polyurethane lacquer in any RAL colour. The doors of both are of 44mm minimal thickness, with 30mm partitions fixed to the wall with an ingenious secret fixing system. The panels and doors of our glass Dimension toilet cubicles are manufactured from opaque black or white 10mm screen printed safety glass, with laminated and solid coloured glass options also available. All have polished flat and arrissed edges.
