

Cubicles VE Series V3 Premium Aqueous

Ex Tax: 0.00€

V3 washroom cubicles are our premium range for style-led environments. Infinite, Dimension, Aqueous and Oxygen toilet cubicles offer sophisticated elegance, cutting-edge design and superb craftsmanship throughout. The glass solution of our Aqueous washroom cubicles is uncluttered and uncompromising. With a unique floating appearance and flawless reflective surfaces, our Aqueous toilet cubicles will bring a sense of sophistication and luxury to any washroom. The flush fronted doors and partitions of our Aqueous washroom cubicles feature polished flat edges and are manufactured from 10mm toughened safety glass in opaque black or white. Laminated or coloured glass options are also available. Our Aqueous toilet cubicles feature a unique privacy seal and are enhanced by stunning minimalist stainless steel fittings. These include a lever operated indicator bolt with pull handle and keep, and tubular steel headrails.
