

AB Series Showcase Opera V12 stained

Ex Tax: 2,024.00€

Opera is a showcase combining wood and glass. Opera can bring individuality to any office or room setting by using the wide variety of finishes and colours available. From its natural material and its simple design, Opera enhances any modern or classical environment. The poles and frame of Opera showcases are made of solid beech, birch or oak, top and bottom of veneer. The showcase is also available in lacquered or stained surface on beech. The glass is 5 mm toughened clear glass. Opera has hinge type doors including locks and adjustable glass shelves. Additional glass shelves available. The lighting is a 12V/20W halogen spotlight with transformer. Glass height is 1 580 mm. 3 glass shelves are included.
