

FCC Series Orizzonte BE-30 Daybed leather

Ex Tax: 682.10€

Simple and geometrical - Orizzonte is a collection of sitting furniture, based on essential and clear forms. Because of its contemporary style and well-defined and simple shape, this line fits into every setting and matches with all kinds of furniture - modern as well as traditionally classic. The daring horizontal line enlarges interiors without taking a lot of space - Optical effect: only another horizon that joins those of floor, table and ceiling. Frame in solid and plywood; belts on a metal support to guarantee more stability; flame retardant polyurethane foam (density seat and armrests 50 kg/m³; backrest 35 kg/m³), covered with fibre wadding; fixed cover; feet in chrome plated steel; table top in tempered toughened clear glass.
