

ANC Stepmobile 4 steps

Ex Tax: 775.09€

ANC Weight Reactive Steel Domed Feet Mobile Steps. The steps are Fort steel framed for safety, strength and durability and move on 4 x 75mm sprung casters. Easy glide across floors, but once body weight is applied they stay firmly in position. Each tread is 150mm deep and 400 mm wide while the top platform for each model measures 300mm deep by 400mm wide. The steps have a Non-Slip ribbed rubber tread.
