

## **FCC Series DS-57 Bugatti armchair fabric**

Ex Tax: 351.50€

Streamlining needn't be confined to automobile design, as can be seen from the DS-57, an individual piece of furniture which calls to mind a 1930's racing car both to look at and to sit in. The steep rake of the seat that characterises this club chair, which is also known as Bugatti chair, is due to the wedgeshaped base.
