

EB SCHULZ Series Display Stand QUADRA-F

Ex Tax: 0.00€

We are offering you these mobile display stands which match our shelving systems and give you the option of strictly keeping the design of your furniture and furnishings. The display stands have been designed for double-sided, individual equipping with accessories for shelf front sides such as hanging cages, newspaper holders, book stands, front side shelf boards; slanted boards etc. (see page 6 and our SchulzShelvingSystems Accessories Catalogue). This makes equipping the display stands absolutely compatible with the corresponding shelving systems, and it can be randomly composed as well as changed. Lacquered metal with 4 lockable wheels, W 568 mm, D 460 mm
