Ero|s| swivel chair. Polycarbonate, polished aluminum. "We have to replace beauty, which is a cultural concept, with goodness, which is a humanist concept." -Philippe Starck. A light embracing armchair, with an organic egg shape... a magnificent combination of light and comfort, color and transparency. Ero|S| can be mounted on a polished aluminium rotating base giving central support or on a light fixed structure in chromium plated steel. Ero|S| is presented in transparent polycarbonate or matte solid glossy colors. Design Philippe Starck, 2001.
