Mushroom chair. Foam upholstered tubular steel frame. "A chair should be more than simply functional. It should be friendly, fun and colorful." -Pierre Paulin. Through the use of a visually unified, abstract sculptural form, the mushroom creates a uniquely comfortable and aesthetically pleasing seating experience which allows the user superb ergonomics and freedom of movement. Included in the permanent collection of the Museum of Modern Art in New York. The Mushroom chair; an armchair for all times; sensitive yet strong; art that is always comfortable. Design Pierre Paulin, 1963.
