Lounge chair 43

Lounge chair 43. Natural lacquered birch, linen webbing. "Objects are made to be completed by the human mind." -Alvar Aalto. Another sculptural chair which seems to test the limits of bent plywood manufacturing. The Lounge Chair 43's framework consists of cantilevered laminated wood legs (which flex a bit for sitting comfort), between which the lounge is upholstered with linen webbing. Aalto chose to use native birch for its natural feel and insulating properties. Design Alvar Aalto, 1937. Ex Tax: 6,865.00€
