Ex Tax: 4,779.00€

Smoke chair. Burnt wood, epoxy resin, leather. Pieces of furniture are literally burned, after which they are preserved in a clear epoxy coating. The beauty and character of burned wood is now captured in a long lasting material, creating the strange sensation of sitting on burnt furniture. The Smoke series includes armchair, dining chair and chandelier. Each item from the Smoke series share the unfamiliar and untamed finish that is categorized by fire. Each piece is unique and may differ due to the process used for production. The smoke chair is upholstered in black leather and has a secret repair kit underneath the seat in case of emergencies. Design Maarten Baas, 2002.
