

Proust Geometrica

Ex Tax: 14,174.00€

Beech frame, cotton upholstery, plastic feet. Proust Geometrica features a wooden frame, upholstered with a multi-colored fabric designed by Alessandro Mendini. Also available in the original version as Proust. Proust was originally created in 1978 for the Palazzo dei Diamanti in Ferrara. It was immediately recognized as an icon of twentieth century design and one of the most renowned and essential reference points in the quest for form and aesthetic perfection. Design Alessandro Mendini, 2009.
