

V Series Multi-Cabinet m.205, drawers=0

Ex Tax: 0.00€

One of our most popular cabinets, the compact Model 205 offers exceptional quality and versatility and can be used to store a wide variety of collections. The Model 205 gives you 15.5 cubic feet of storage and features a unique counter-high design that can be stacked safely to help make the most of your floor space - or, if not stacked, provides a convenient extra work surface.
