

V Series Multi-Cabinet m.228, dr=20hw tp2

Ex Tax: 0.00€

The unparalleled quality and craftsmanship characteristic of all cabinets are yours with the midsize Model 228. Versatile enough to hold a wide range of collections, the Model 228 provides 30 cubic feet of storage area and features a unique counter-high design that can be stacked safely to help make the most of your floor space — or, if not stacked, offers you a convenient extra work surface. Shown with optional lock for recessed handle.
