

## **V Series Multi-Cabinet m.238**

Ex Tax: 0.00€

Versatility is the hallmark of the Model 238. One of Viking's most popular cabinets, the large-capacity Model 238 offers a full 68.9 cubic feet of storage and can house virtually any type of collection. Exceptional craftsmanship and a remarkably flexible design make the Model 238 easy to customize to suit your needs by selecting from a wide range of options, including visual doors that provide immediate visibility of the cabinet interior.
