

AB Series Airflake, 3-Pack Blade open

Ex Tax: 129.00€

Airflake is a decorative and sound-absorbing screen made from moulded fiber felt. Airflake can be mounted on a straight or curved aluminum rail for ceiling or wall mounting. It can also be mounted directly on the wall or in the ceiling with false ceiling mount. Airflake is a hexagon in different colors and 4 patterns. 10-pack contains: 10 panels, 5 attachments, 10 pairs of short and 20 pairs of long plastic clips. Measurements 400 x 360 mm. Design: Stefan Borselious.
