

AB Series Alumi Combi w/ Silver Pro board (LA) 796

Ex Tax: 1,494.00€

The popular Alumi Combi screen is developed to make meetings flexible. It's both a screen, sound absorbent and mobile writing board all within one product. One side is covered with a writing board (SilverPro, optic glass or E3 whiteboard) and felt surface. The other side is covered in felt in standard colours, Dot- or Block pattern. As an alternative to the felt, the screen can be covered in fabric Europost 2. Blockpattern in Europost 2 standard colours are available on request against an upcharge. Legs are extra.
