

AB Series ALLE Glass tp8-high

Ex Tax: 890.00€

Alle Clear glass, blasted dots. Allé is a decorative, free-standing glass screen for public settings. The steel base is available in grey or white lacquer. The base is equipped with 4 adjustable feet and 4 screws to lock the glass in place. The glass is protected, from the screws, with 2 adhesive tin plates which are delivered together with the base. The base measurement is 800 x 220mm. The glass is available in different standard blasted patterns. The 10mm etched glass with the smooth edges is inserted inside the base and creates the distance of 100mm from the floor. Therefore, the total height of the glass (incl. base) is 100mm higher than below mentioned heights.
