Ex Tax: 2,140.00€

Perfect for any indoor or outdoor application, the 360 Folding Polycarbonate portable partition is 100% waterproof and cleanable for ideal use in laboratory settings, aged care, health, warehouses, schools or food service areas. Fluted panels are fire retardant and offer outstanding sound and thermal insulation. Strong and durable providing greater protection against breakage. The impact strength is 10-17 times that of Plexiglas Panels offer outstanding UV protection both through the surface and in colour fading Polycarbonate panels can maintain their properties from an extreme temperature range from 40C to 120C. Non-marking, low profile casters provide low clearance, meaning additional noise reduction and a lower centre of gravity
