

MH Series Folding Display board 10 frame kit

Ex Tax: 530.94€

Folding display board kits are an easy to assemble, easy to configure, lightweight display systems that can be finished in fabric or graphics. The panel frames are edged in grey plastic and available in standard 3, 6, 7, 8 and 10 display panel kits. The 7 and 10 panel kits include built in triangular plinths, ideal for displaying small items, leaflets, free gifts or can be used as a data collection point. Other configurations are available; contact us to discuss your requirements.
