Thonet S8004 Conference Table (14-20p)

S 8000 Conference Table System. A sculpture in space: the conference table system S 8000 by architect Hadi Teherani combines high functionality with perfected quality and visual lightness.Like a ribbon the elegant metal base bracket continues on the surface of the tabletop where it becomes a functional surface - the central element. Multimedia module and beamer can be individually integrated. Cables are run invisibly in the supporting base structure. Metal base bracket / cover plate functional surface: stainless steel polished. Tabletops with beech, maple, ash, black cherry, oak or walnut veneer as well as white mineral surface.
