Humidifier (Ultrasonic)

The ultrasonic humidifier kit includes fittings to connect to the humidifer, 1.6m hose, tip for fine art work and one for spreading the mist. Provides an extremely fine cold mist, the fine jet nozzle allows 'spot' work, while the other attachment is for spreading the mist over a wider area. Very good system for relaxing without wetting on parchment, leather, paper, textiles and many other uses. Ex Tax: 132.50€
