

AF Drop front Storage Box 584 x 787 x 76mm

Ex Tax: 39.10€

The acid-free, drop front, storage boxes have an elegant, matt black exterior preferred by artists and photographers. The interior is white and buffered with 3% calcium carbonate for additional protection from airborne pollutants. These boxes are manufactured with heavyweight board and feature black, metal edge corners to provide sturdiness. A full telescoping lid provides protection while the drop front allows easy access.
