

## **Anc Series A/F Spine Labels.1 36,5 x 23,8mm. (roll of 2000)**

Ex Tax: 0.00€

Spine labels on rolls that can be printed on desktop thermal printers. They provide jam free operation, allowing you to print your own spine and circulation labels on demand. A great option to replace torn or worn existing labels. Premium quality acid-free, 3mil synthetic polypropylene label stock, Synthetic material is thin (3mil) but highly durable and tear resistant, Thin label easily conforms to contours on spine. 1" Core,
