

CF Series NOX Metal chair Black ("Trace" Inspired)

Ex Tax: 66.49€

Trace Inspired Chair. Original Manufacturer: Desalto. Designer Shin Azumi. Launched in 2005. A single body for a light, wrap-around chair. suited for solutions inside or outside the home. the form is reminiscent - as designer Shin Azumi explains - of the outline of a small armchair, of which only the profiles leave a trace on the retina of the eye. Hence the name trace. Stackable chair with arms. Variable density compound engineering polymer body. Chromed steel frame or brushed stainless steel (also suitable for outdoor use). Body also available in "soft" finish lacquered red or black.
