

GRE Series Label Protectors Large - Pack 1000 - H65xW50mm

Ex Tax: 89.00€

Label Protectors. These transparent, pressure-sensitive polyester labels keep classification details clean and legible. Made from 23 micron polyethylene. Gloss finish. Delayed-action adhesive. Suitable for use with barcodes when the print is generated by a thermal transfer ribbon. Not suitable for barcodes produced on thermal reactive paper. Available in two sizes. Price per pack of 1000.
