

GRE Series Label Protectors Small - Pack 1000 - H35xW25mm

Ex Tax: 82.00€

Label Protectors. These transparent, pressure-sensitive polyester labels keep classification details clean and legible. Made from 23 micron polyethylene. Gloss finish. Delayed-action adhesive. Suitable for use with barcodes when the print is generated by a thermal transfer ribbon. Not suitable for barcodes produced on thermal reactive paper. Available in two sizes. Price per pack of 1000.
